

STOP
THE BLEEDSM

Sanford Trauma Services

Stop the Bleed Training

This class was developed to teach civilians how to identify and treat life-threatening bleeding. Skills learned with this training include direct pressure, wound packing and tourniquet use.

Cost: Free

Open to the Public

Sign up for a class on www.sanfordhealth.org and search for “Stop the Bleed”.

Or contact the Trauma Services Department to host a class by emailing: traumaservicessf@sanfordhealth.org or call (605) 333-7363.
