

Sanford Medical Center Fargo

Sanford Health is an integrated health system headquartered in the Dakotas. It is one of the largest health systems in the nation with 44 hospitals, over 400 clinics and more than 200 Good Samaritan Society senior care locations in 26 states and nine countries. Sanford Health's 48,000 employees, including over 1,400 physicians, make it the largest employer in the Dakotas.

Nearly \$1 billion in gifts from philanthropist Denny Sanford have transformed how Sanford Health helps improve the human condition through global children's clinics, genomic medicine and specialized centers researching cures for type 1 diabetes, breast cancer and other diseases.

Sanford Health is excited to grow with the Fargo region and continue bringing excellence in health care with the recent opening of our new medical center in 2017, with Comprehensive Stroke Accreditation and Level I Trauma verification attained in 2018.

Sanford Medical Center Fargo is affiliated with the University of North Dakota School of Medicine and offers internal medicine, family medicine, psychiatry, podiatry, orthopedic, surgical and transitional year medical residencies.

Pharmacy

Sanford Health employs approximately 50 pharmacists and 63 technicians/interns. Pharmacists in the clinic participate in a variety of clinical activities such as working under collaborative practice agreements to initiate, adjust, monitor and change drug therapy, provide medication reconciliation, authorize medication refills, coordinate transition in care phone calls, provide patient education and more.

- Small group leading
- ACPE accredited Grand Rounds
- Medical education

Qualifications & Application

All residency candidates must meet the following prerequisites:

- Be an eligible graduate of an accredited school of pharmacy
- Hold an active pharmacy license, or be eligible for licensure in both North Dakota and Minnesota

Application materials must be submitted through PhORCAS by January 3rd and include:

- Letter of interest (including clinical areas of interest and reason for pursuing residency)
- Curriculum vitae
- College transcript
- Three letters of recommendation

Applicants considered for a position will be invited for an interview with pharmacy administration, preceptors and current pharmacy residents in January or February.

The PGY1 positions are determined through the ASHP Resident Matching Program. All PGY1 candidates must register with the ASHP Resident Matching Program.

Stipend & Benefits

The stipend is competitive and updated annually. Additional compensation is available for optional per diem staffing shifts. Contact the residency program director for the most current information.

Residents are provided with health and dental insurance, life insurance and vacation days (personal, professional, and sick days). Residents are supported to attend the ASHP Midyear Clinical Meeting and the Midwest Pharmacy Residents Conference.
